

Webster Bank Offers Fraud Forum

The best way to prevent fraud in your business is to educate yourself. Check fraud and counterfeiting are among the fastest-growing problems affecting the nation's financial system. They produce estimated annual losses of \$10 billion. Those losses continue to rise at an alarming rate annually.

We are pleased to announce enhancements to our **Positive Pay** Product, which include:

- Webster Branches match issued checks to checks presented for cash at the teller line. Any checks that do not match the issuance file will NOT be cashed.
- Payee Name Positive Pay, in addition to verifying the account, check number and dollar amount, we can also match against the Payee Name.

Please join us for two sessions:

Thursday, November 13th :

1st Session Time – 10:00 am - Noon

2nd Session Time – 1:30 pm – 3:30 pm

To educate the business community, Webster Bank has invited noted experts:

- **Stephen Pedneault:**, Founder and principal, Forensic Accounting Services LLC, who will provide tips on how to *prevent employee theft* in a business and ways to detect it.
- **Rob Shaffery:** Fraud Consultant will focus on *check fraud* and discuss *identity theft*.
- **Kim Syrop:** Retail Loss Management Group will be speaking on behalf of Webster Bank.
- **Rose Gilbert:** Positive Pay Services

Location:

Webster Bank
2 Stamford Plaza
281 Tresser Blvd.
Community Room – 2nd Floor
Stamford, CT. 06901

We would encourage you to take full advantage of this opportunity to education employees/staff in Fraud prevention.

Please contact me directly, Rose Gilbert, VP Product Manager, Cash Management at e-mail rogilbert@Websterbank.com to reserve seat(s).
